Displays: How to get them?

We are happy to advise you on which display and content best suits your point of sale. Please get in touch!

Wooden counter display for bestsellers

Lamazuna display golden rules

Respect your display

Our displays are made from sustainable and durable materials, and are designed to last a long time. Please do not alter their appearance in any way, and make sure you take good care of them! When the cardboard displays reach the end of their life, they can be recycled.

Stay loyal to Lamazuna

Our displays are designed to display Lamazuna products – and nothing but Lamazuna products!

Instructions for Lamazuna products without packaging

• 1 product sold = 1 label for the customer To ensure the traceability of our products, it is ESSENTIAL that customers who buy products loose be given a label corresponding to the product batch. The labels are included in the product package.

 Do not mix two different batches in the same jar. Traceability = safety

• Use a soft, dry cloth to clean the jars between finishing one batch and filling them with a new one.

• The best way to put products in the jars is by using the **wooden tongs**. They're both practical and hygienic!

Selling products without packaging: Floor display

Advantage: an easy-to-set-up display for all the Lamazuna bulk essentials. We've thought of everything!
