

INTERNATIONAL RELEASE DATES of our NEW PRODUCTS

Updated on April 1st, 2021

Extra soft toothbrush heads

Launch: 18th January 2021

To have a complete range of toothbrush heads for the replaceable-head toothbrush.

Medium, soft and extra soft!

We take care of recycling the used toothbrush heads!

Solid shampoo: without essential oils

Launch: 8th February 2021

*Vanilla & coconut scent
for dry hair*

*With clay and spirulina for
oily hair*

*With Abyssinian oil for
normal hair*

Our range of shampoos made without essential oils is evolving.

A new size and 25% more product for the same price!

A new, secondary surfactant for more lather.

Solid make-up remover

Launch: 8th February 2021

Certified COSMOS Organic.

A solid makeup remover that you apply directly to the skin!

A product that really cares for the skin, thanks to botanical oils and shea butter.

Wooden Oriculi

Launch: 15th March 2021

A 100% naturally derived material.

Made in France, with wood that comes from a sustainably managed forest in the Jura region.

Solid French beech wood, no splinters!

The Incredible Organiser

Launch: 12th June 2021

The only bathroom organiser that lets you store your solid cosmetics, distinguish between them, and keep them dry!

A 100% recycled, water-resistant material made from post-industrial waste.

Soon available in 3 different colours!

2021 new gift set

Launch: June 2021
