3 Spray- bottles

More style for your household.

The NAIKED spray bottles, made from recycled PET, come in three eye-catching designs. The colors are based on those of the tab packaging. Without labeling, however, you can freely choose which bottle is used for which cleanser.

The bottles are delivered in a mixed packaging unit with five bottles of each design.

- ✓ Made in Europa
- ✓ Recycling PET
- ✓ Spray head with spray & jet functions
